

Choir Concert Report

Use the following format to submit your concert report. Please type it on a separate sheet.

OR Submit your report on www.ucutips.org/~skeyes/

- I attended _____ (concert) on _____ (date)
- What was the theme of the concert or was it a random listing of contrasting pieces?
- Describe the group or groups which performed: How old are they? How skilled are they? If more than one group which group performed the best and why?
- Describe the vocal technique of the group(s) consider the following: vowels, resonance, vocal tone (pressed, aspirate, flow), posture, do they sing on the breath?
- How was the concert etiquette of the audience members? Give specific examples whether positive or negative.
- Describe three of your favorite pieces, who they were performed by, who composed them, why they were your favorites.
- What does/do the group(s) need to improve with their performance?
- Was the music appropriate for the targeted audience? Was it too heavy? Was it too light? Was the audience bored or was the music too difficult for them to understand? Was the program ordered in a way that was satisfying for the audience?
- What do you think our choir could learn from this performance? What will you do different after viewing this concert?
